Yearbook Committee

A special mention to past pupil Mark O'Sullivan who has designed and edited this yearbook. Many thanks from the committee for the guidance, support and hours you have spent on this project.

Principal's Note

As your time in Ballincollig Community School comes to a close I wish you all the very best for the future. I am sure that these last few weeks have brought a mixture of emotions for many of you – feelings of joy and sadness, anxiety and anticipation. It can be both exciting and a little daunting facing change and the unfamiliar. The things that will remain constant, the anchor as you move on, will be your memories of your time at BCS & the friendships you have made here. Value both, as you enter the next phase of your lives.

*Life is at your fingertips
But don't just leave it there
Grasp it with both hands and never let it go
& soon you will realise how much possibility lies before you.*

You take the good wishes of the whole school community with you as you move on to the next chapter in your lives. Good luck to you all.

Kathleen Lowney

Deputy Principals' Note

We wish the class of 2019 happiness and success in the future and we thank you for your contribution to Ballincollig Community School. As you take the next step in your journey we hope that you will carry into life happy memories of the six years at Ballincollig Community School. We wish you the best of luck as you prepare for your upcoming exams and set out on your life journey.

Go n-éirí libh go léir.

Ms. Forde & Mr. O'Sullivan

Year Head's Note

"Looks like we made it". So sang Shania Twain in her award-winning song "You're Still the One". So, it goes too for the Class of 2019. Heartiest congratulations to you all. Yes, we've made it!!

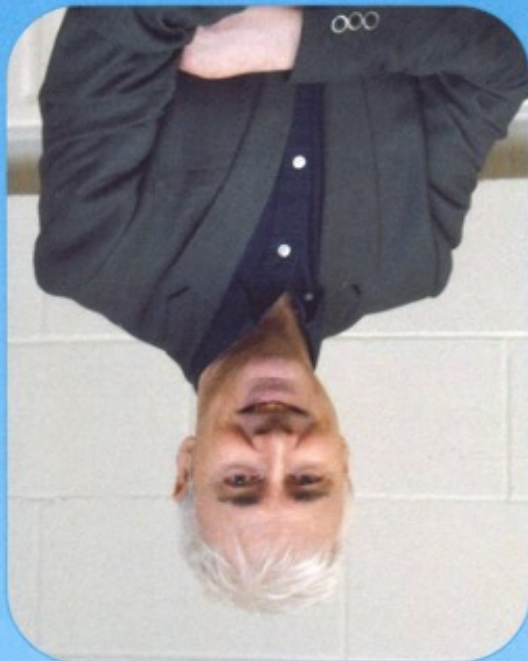

In a short few weeks you'll be saying goodbye to BCS, to the "caf" where we assemble (well most of the time anyway!). Goodbye to the teachers and SNAs, the caretakers, secretarial and kitchens staff & all those who have cared for and minded you for the past six years. Thanks to all of you for your endeavour.

I would like to thank your parents/guardians for their overwhelming support and especially you, yourselves, for the courtesy, kindness and respect you have shown to me at all times. Through the ups and downs of our six years together you have always been an inspiration. Shane McGowan, in his ballad "Rainy Night in Soho" pens it so eloquently: "You're the measure of my dreams – the measure of my dreams". His words are my ultimate compliment to you. Sincere best wishes to you all in every possible way. I'm going to miss ye.

Finally, a special word of thanks and gratitude to the Year Book committee. Take a bow guys! Encore! & to all our very kind sponsors.

*Mar bhuille scoir, guim gach rath is sean oraibh sa toidhchal is go n-
éiri thar barr libh sna scrúdaíthe.*

John Buttimer

First Year

It seems like only yesterday we gathered in the cafeteria for the first time as a Year Group. Little did we know that the next six years were going to be the most memorable years of our lives. We of course, like every other first year, were hated by the entire school because of our heavy bags and constant screaming and running down the corridors.

First year was all about getting used to a new school full of complete strangers. Looking back now, we are thankful for the help from Mr. Buttimer and The Meitheal Team for making it an easier experience for us. They organised a number of activities such as a silent disco, speed dating and orienteering which helped us to bond and form friendships.

School Outings

Throughout the year we went on a number of entertaining trips. We will never forget Jack Shanahan getting kicked out of the cinema while watching The Hunger Games.

Our first school tour consisted of 100 students staring blankly at Torc Waterfall thinking about when the torture would end.

When you think things can't get any funnier, picture Maria getting stung by a weever fish while surfing in Inchydoney.

The boys first year soccer team made their way to the Aviva Stadium to watch a "nail biting" encounter between Ireland and Latvia which was organised by Mr. Rob Murphy.

If it wasn't for these trips we wouldn't be the close year we are today.

First Year

First Year Girls Soccer Team

Tuesday January 14th 2014 was a momentous occasion as the first ever BCS girls' soccer team took to the pitch. The school hosted St Angela's from Waterford. Unfortunately, BCS came out with a 4-1 loss. The goal came from a well struck Katie Jones headed past the keeper. Despite the loss, this was only the beginning and the team went on to win various titles in the years to come.

First Year Boys Basketball

The first year boys' basketball team reached the county A final which took place in Neptune Stadium. Two buses full of enthusiastic supporters came to witness an exciting battle. Despite the crowds never ending efforts to keep us in the game, the boys narrowly lost out to the outstanding North Mon AG.

Stephen O'Connor

Second Year

When we came back to school after second year most of the lads had completely changed with their deeper voices and huge growth spurts. It was clear that we were no longer the babies of the school and we could now complain about the annoying first years. The workload increased as we prepared for the dreaded Junior Cert but that didn't stop us from having fun.

West Cork Secrets

At the start of second year, we headed off to West Cork Secrets for a day of adventure, sunshine, mud and muck. We took part in the obstacle courses which left us covered in mud. We had a giant game of zorb soccer and had a well-deserved lunch. Pizza was BEST. Thanks to Cathy, Claire, Mr O'Mahony, Ms Gallagher, Ms Kiely and the G.O.A.T. Mr Buttimer for organising it.

Hairspray

In November of second year a small group of students in our year took part in the 4th year's adaption of Hairspray, Good Morning Baltimore. It's safe to say Ms Bowen definitely won't miss pinning the messy wigs into the girl's scalps. They practiced really hard and the show was a great success. Special thanks to Ms Healy, Mr D O' Sullivan and Ms Gallagher for all their hard work and commitment.

Second Year

Sports Day

On a warm Wednesday morning in May, we all set out onto the pitch, in our stylish white polo shirts and baggy tracksuit pants, for the annual 1st and 2nd year Sports Day. Dovydas broke the school record for high jump and class Muireann were overall winners. Shout out to the PE. Department for the usual hard work.

Boys Basketball

The second year team got to the county final once again. They put up a battle against a strong team from The North Mon, even though they lost, the lads held their heads high and thanks to Mr D O'Sullivan's coaching managed to progress into the All Ireland Finals.

Delphi

In April, a large group of us got onto a stuffy bus for a treacherous 6-hour journey to Delphi. We spent three days in Delphi Mountain Resort, Connemara with Mr Buttimer, Mr Jennings, Mr Murphy, Ms Kiely, Inion Ni Cheallaigh and Ms Barrett. There were many exhilarating activities to do. We went kayaking, did bog runs, and took part in obstacle courses. The food was average but it's fair to say the craic was mighty. Some adventures were riskier than others, with Chidra sneaking into the boys' bedrooms in the middle of the night and the infamous ghost haunting the girls.

Third Year

Some of us struggle to remember even what we ate for dinner last night, but now let's try traipsing all the way back to the year 2015-2016 the days of the Junior Cert. With such diversity among the year group we had students involved in all sorts from soccer to basketball to cooking up a storm in the Home Ec. Department.

We tried not to stress but we were young. We will never forget the first day of the Junior Cert as we faced into English Paper One where teeth were chattering, nails were eaten and pulses raced... but sure enough we lived to tell the tale.

3rd year was a substantial stepping stone for all of us making us a little older and a lot wiser.

Results

On the 14th of September 'nerves were high and expectations were low' as the dreaded Junior Cert nerves returned. We waited anxiously to be called out of class to receive our results. However, everyone was pleasantly surprised and relieved.

Third Year

Girls Soccer

Along with being an exceedingly academic year, the year provided many sporting successes. A highlight of this was the girls' soccer team winning the Munster final: 4-0. What an achievement! Tensions were high but the girls managed to pull through alongside their coach Mr D. O'Sullivan. Following the Munster final they progressed to the All-Ireland Semi Finals but unfortunately luck was not on their side that day.

Trip to Fota

On a cold winters morning we braved the cold and set off for an ecology trip to FOTA wildlife park. Everyone came well equipped with their wellies and packed lunches at the ready. Some people got caught in the sweeper nets (Marie Forde) but this didn't dampen our spirits. Thanks Mr O'Connell, Mr Sexton, Mr Nolan and Ms Coholan.

Fourth Year

Sixteen girls undertook the brave task of coaching 5th & 6th class groups from local primary schools. We taught them the basic skills and rules of spikeball, and some manners along the way. After eight weeks, we held a tournament in the school for all our teams. Competition was fierce, tensions were high. We were in it to win it, and that was just the coaches, not to mention the children. Thank you Ms. Hooley for the help and support.

Spikeball Build a Bank

Six of the TY students created a school bank, "Orange is the New Bank." They progressed to the national finals up in Dublin. Nice one Ms. Morrisey!

Gaisce

We hiked up a mountain (more like a hill according to the instructor). Our Gaisce trip was gruelling, but Ms Kiely's face plant into the gravel made it all worth while. Thanks also to Mr. C O'Sullivan.

Cinema

TY was perfectly summed up by our end of year trip to the cinema. After being kicked out for malicious behaviour, Jamie Holland was dubbed 'the young offender' by Mr. Buttimer.

TY Award

Jade Summers & Nonye Ebili

Student of the Year

Niamh Lehane

Massive shout-out to Ms. Cronin for her tireless work organising all the activities/events & thanks to Ms Arslan for her patience organising work experience (probably still waiting on some of those forms).

Fourth Year

Mamma Mia

At the beginning of fourth year, we took part in our school show "Take A Chance On Me." During the three months of rehearsals, hidden talents were discovered and new friendships were formed. At the end of November, we performed for three nights to a sold-out school hall. Cheers Ms Healy, Ms. Bowen, Ms. Kiely and Mr. D O'Sullivan for taking a chance on us!!!

Fourth Year

Skiing in Italy

Our hidden talents were further discovered when we hit the Italian slopes in January. Although no serious injuries were sustained, Marie's on slope asthma attack and Jade's gallant fall were quite memorable. The most memorable of all has to be the few Italian romances that sparked up, our favourite being Mr. Buttimer & Mr. Jennings and their public display of affection. Thanks also to Iníon Uí Mhurchú, Ms. Whelan, Ms. Kiely and Mr. O'Toole for making the trip so memorable.

Fifth Year

Go-karting & Paintballing

One of many exciting moments in 5th year was when we went Go-karting/paintballing in Watergrasshill. The most exciting moment of the day was the battle between Johnny B and Mr. Moriarty for first place. There were some really good drivers in these races but there were also some very poor drivers. Let's just say that we knew certain someone (Danielle) was going to fail their drivers test three times. Ms J Donovan was pretty mad behind the wheel too.

Goodbye LCA's

Not only did we have some very happy times in fifth year but along the way had to say goodbye to some close friends of ours. We shared some great memories with our friends in LCA throughout the years but like all good things it had to end. Special shout-out to Micheal, Kieran, Katlyn, Eamonn, Kelly, Dean and John.

Student of the Year
Chris Hockey

Fifth Year

All-Ireland Rugby

As part of a strong team a few of our lads travelled to Terenure in Dublin to play in the All Ireland rugby 7's competition. With the help of Jack Lowney, Daniel Dineen, Daniel Smith and Robert Cahill the team went all the way to the final and narrowly missed out on the title to a very strong Nenagh CBS. Thanks to Ms Hooley for all the endeavour.

U19 Basketball County Champs

To top a great year of sport off, our girls U19 basketballers went on to win the county basketball final in Neptune Stadium in front of a big crowd. It was evident from the get-go that the girls were going to win by the way they started the game. Nice one Ms Howard for all the hard work and training sessions we never went to.

Fifth Year

INDIA

In 2018, 14 of us travelled to Kolkata in India. We started our travels early on Thursday the 8th of February. The flight lasted 8 hours and when we landed in Dubai we were rushed straight onto our next flight which brought us to Kolkata. We were all very tired after the journey (Except Mary Coffey, who slept for the ENTIRE journey). We got our first taste of Indian culture almost immediately, on the bus journey from the airport to the hotel. It was like a different world. The traffic was crazy, the streets were manic and there were people everywhere. It's safe to say it was quite the culture shock, but this only increased our anticipation for the week.

We were lucky enough to see first-hand the amazing work the Hope Foundation does for the street children and other vulnerable members of the community in Kolkata. We got to visit a number of projects run by the Hope Foundation including the Hope Hospital, the Hope crèche, protection homes for vulnerable children, the private school, the schools and crèches in the dump and a special needs home. Although the thought of visiting these projects was daunting, we were welcomed with open arms and the children were amazing. They were all so happy & loved playing with us. It was a week filled with playing, dancing and singing. An experience none of us will ever forget. Thanks to Ms Kiely, Ms Whelan & Ms Lowney for accompanying & supporting us every step of the way.

Sixth Year

Trip to Toonsbridge

In September 2018, our Home Ec class travelled to Toonsbridge for the day with Mrs Murphy and Iníon Ní Cheallaigh. Mrs Murphy wanted to bring us out as a group to bond as a class and to get the opportunity to see how buffalo cheese is produced. We had a great day walking around the farm, tasting the cheese and taking pictures with the buffalos.

Well done to Alex O'Brien who came 2nd with Rebel Acro in Ireland's Got Talent

Well-Being Day

The teachers really did start piling on the homework as soon as we arrived in the door in September and this was the case up until our final days in BCS. 6th year proved to be very tough, between the CAO, Orals & Pres, but members of staff always tried their best to help us through all the stress & tears. In December 2018, a group of teachers organised a 'well-being day' for all 6th year students. This was co-ordinated by Bean Uí Loinsigh & her team. This allowed us to take a break from the classroom and to bond as a year group. We played dodgeball, Jenga, Zumba. After, we all came together in the caf for tea, biscuits & chats! It was a great idea & it helped us relax before our Christmas exams.

Thursday tea rooms

Every Thursday at big lunch, Ms Whelan & Ms O'Carroll invited all 6th years for tea & biscuits in B072. We were able to eat our lunch in peace without having to listen to 1st years screaming in the caf and we also enjoyed a 'cuppa' and a few biscuits.

Sixth Year

Sixth year reflection

Looking back on our six years in BCS, it's an experience that will never leave us. BCS has shaped us into the young men and women we are today. The transition from being the 'babies' in first year to becoming the 'seniors' of the school is an unforgettable experience. Mr Buttimer helped us through it all. He understood us. He put up with our moods and most importantly he guided us when we needed direction. Over the six years we have grown into the people we are today. We have formed life-long friendships, developed new skills and talents and grown as individuals. In years to come, when we are telling our own kids about our experience in secondary school we won't talk about the Leaving Cert, the CAO, the orals or stressful times. We'll only talk about the amazing memories we made here, the trips we went on and all the laughs & banter we had together.

Class 2019

Meitheal

Meitheal brought my group and I together. We made lifelong friendships with each other. The Meitheal training lasted a week at the end of fourth year and through the process we learned some valuable skills. Leadership, public speaking, kindness and JCH are some of the skills we learned. We used our skills to attempt to help the first years to settle into their year in a new environment. We answered any questions they had and gave as much advice as possible. We organised many events to help the first years to bond and create friendships. Meitheal was a major part of our 5th year alongside school work & study. We would like to thank Ms. Fleming & Ms. O'Halloran for giving us the chance to partake in such an amazing programme. – *Aoife Brennan*

Aoife Brennan, Callum Lynch, Christopher Hockey, Eamonn O'Driscoll & Eimear O'Sullivan all took part in the Meitheal Programme in BCS and were all members of the 2017/18 Meitheal Team. They made a tremendously positive contribution to school life. They played a major role in organising the 1st year induction day advising students on all aspects of life in BCS. The 1st years soon became familiar with the friendly presence of the various Meitheal members around the corridors & in their areas during lunch times, and often came up to them for help & advice. Meitheal members mentored individual students who found it hard to settle in and the younger students really appreciated this. They also assisted the year head & chaplain on many other occasions. They were excellent role models for the younger students. They epitomised in every way the very best of Meitheal and in so doing had a wonderful year themselves. – *Ms Fleming*

Nobody reading this needs reminding of the huge step it was to begin secondary school; the new subjects, the vast array of books, the lockers, the very many teachers, leaving old friends & the familiar behind & having to start all over again. Our incredible Meitheal team helped carry that load for their incoming peers. They worked with enthusiasm and purpose over the school year. You walked the 1st year corridor every week, answering questions and giving much needed advice. You sorted & resorted lockers! You facilitated & forged friendships. The 1st years of 2018/2019, Ms. Fleming & I sincerely thank you for your commitment to BCS, your leadership & most importantly your Meitheal. Le meas mór. – *Ms O'Halloran*

Eurofoot

In 2015, 2017 and 2018 we had players from the year group representing the school at Eurofoot. It is an annual tournament which takes place in Vigneux, in the west of France. 32 teams from around Europe take part and as you can imagine the standard is very high. We are the only team from Ireland to compete and therefore it is a huge honour for us.

In 2015, Daniel Murphy, Stephen O'Connor and David McCullagh, who were only 14 at the time, competed in an U17 tournament. The team finished 11th that year. Massive thanks to Mr Griffin and the other Mr Desmond.

In 2017, the team was predominantly made up of our year group. We played against two professional academy teams (Strasbourg and Fc Lorient). We really underachieved by only finishing in 16th position. Stephen Wills was deservedly selected to represent Team Europe against a French XI. Unfortunately, we couldn't enjoy our final night due to the poor lying skills of David Twomey "its only coke sir".

In 2018, Daniel Dineen and Stephen Wills were lucky enough to take part in the tournament. They couldn't match the achievements of the previous year and only finished in a disappointing 20th. Big thanks to the O'Sullivan Bros.
