

CLASS '12
YEARBOOK

Words of wisdom from our teachers and mentors at BCS:

Ms Lowney

You have reached the end of another chapter and you are about to embark on the next stage in your life. The road ahead will be full of opportunity, challenge, adventure and excitement. Life will give back to you what you put into it - so never sell yourself short. Your time at BCS will have had its own ups and downs. However, as you move forward I hope that you will benefit from and build on the foundations set for you here at the school. As you journey on through the weeks, months and years ahead, you take with you the best wishes of the whole school community. I leave you with some words from George Washington Carver:

How far you go in life depends on:
your being tender with the young
compassionate with the aged
sympathetic with the striving
tolerant of both the weak and the strong
because some day in your life
you will have been all of these

Good luck! Good health! Good fortune to you all

Kathleen Lowney

Mr Kennelly

It is with a certain sadness that I put pen to paper this time. By the time this year book is published, I will have said my goodbye to B.C.S. You are the last Leaving Cert group I have dealt with, and it was a pleasure to deal with you. I have good memories of you as a year group, all through Junior Cycle, and you made the very best of Transition year. I used to coach Gaelic football and soccer a number of years ago and I missed the buzz of being involved. However, Eurofoot 2011 was a wonderful experience and it was an honour to be there with the greatest B.C.S team ever, and the leaders on the pitch were from your year group. As I write, I have just been informed that B.C.S has won the County Senior Basketball title. So as a year group, you have many, many talents. Take those with you and I'm sure you will develop many more.
My very best wishes to you all,

Ted Kennelly

Ms Waterman

Leaving school is a momentous, exciting and sometimes a sad occasion. You have spent the past six years here in Ballincollig Community School maturing and developing, as mature young adults you are now ready for the next step in life, ready to seize the day and follow your dreams. I would like to wish you all the very best in the future. I know you will meet the challenges and opportunities that lie ahead with enthusiasm and determination and I sincerely hope that you all do well in your chosen career.

Focal scóir

Mar a deir an seanfhocal "Da fhad é an la tagann an oíche." Sea a chairde tá bhur gcéann scríbe sroichte agaih bhaoi dheireadh thiar thall. Is fúibh ata sé anois bhur mianta chomhlíonadh.

What a wonderful six years they have been. This has been a journey that has been filled with moments of joy and happiness, and with some moments of pressure and stress in the mix. Along the way it has been a privilege and honour working with you during the past six years. You will certainly remain in my thoughts, and I know area E will not be the same again once you have gone.

I would like to say a special word of thanks to the year book committee who have worked for many months behind the scenes to complete this project. Gabhaim buíochas ó chroí libh.

Go mbaine sibh taitneamh as an leabhar bliana agus go néiri go geal libh go léir i bhur scrúduithe. Gach rath agus séan oraibh sa tochtachai.

Year Head.

From Big Fish to Small Fish (First Year)

Turn back in time where you used to sit for 4 hours watching the Rugrats, and when Blues Clues was actually challenging.

Rewind back to the times when your favorite shows were Doug and Pinky and the Brain, when you remember reading every series of Goosebumps, when bringing plastic cartoon lunch boxes to school was pretty cool, and saying "NOT," after every sentence was the way to talk. When every argument was settled by rock paper scissors, when cops and robbers was a daily activity, and when hide and go seek was put to pause only when it was lunch time. The days when we used to actually obey our parents and when the radio was all we depended on for music. When Yo-Yos made you popular. The days when you could tell Furbie all your little secrets and expect him to talk back, and when you knew the Macarena off by heart.

I don't remember the first day of secondary school specifically, but I do remember the sense of change, coming from being one of the oldest amongst the small ones, to being a small fry again.

Leaving Cert...

Well a few weeks in and that blissful aura of denial has begun to wear off. I started the year thinking, 'Well ok, so it's the Leaving Cert. Seriously, how bad can it be? Flake away at the study, and it'll all be over before you know it. "Happy Days". In August I actually had myself convinced that it really wouldn't affect life as I knew it all that much. Really! However two months on, five A4 pads and approximately a gazillion hours of homework later, I think its beginning to get to me slightly.

2nd Year Ski Trip

2nd Year Activities

4th Year – Ski On!

Oh skiing, what a week! We returned with bate up shins, broken tailbones, freezing hands and some with snow blindness (Niamh C)...And whatever happened to Jerry Murphy? A lot of blood, sweat and tears went into this week. The blood mainly from Bryan Dorman and Kyla Hilliard's noses! But what a week we had! Arriving for dinner and getting our handsome pancake soup. We were entertained by James Shields bus songs (Hi I'm Geraldine Drohan and I'm Aoife's mom and I'm the sacristan in the church), and also singing like mad in the middle of that random shop! Also that old lady just falling over on the streets of Munich! Conor Boyle and Alanna Murphy were also spotted sitting on the ground, shouting words of wisdom at innocent Germans. There were also the days on the slopes (obviously)! With Michael Donner (the hot guy)... Learning that our skiing skills were, in the eyes of our instructors 'das ist rubbish'. We all saw each others true colours and beauty at the breakfast buffet every morning. Going ice skating and Niamh Cawley, resembling Naomi from Skins season 4. There were also the tense times of the pool tournament...wow it was a close one between Chris and Bryan...but Chris won in the end. Late night banter with Cormac Field, doing his impressions of the teachers...and then getting nabbed and having to show it to them!! There were some blossoming romances too, Steve and Elaine, Niamh Cawley and Rob... Sara and Killian... Ah young... Hormones... The night of the ski show and we were all like, lets be honest...freezing, and there was a random penguin just, floating around! All the lads making yellow snow at the side of the mountain... With Aoife! And we finished off our fantastic trip with a touching speech from Paul Kearns to Inion Uí Mhurchú.

Lots Of Love...Dix (Leah) and Lynchers (Niamh). (Who took a break in between this to go to KC's :))

Ski On Continued!

4th Year Delphi

In fourth year, a group of us went to Delphi in Connemara to complete the hike for our bronze Gaisce award. We had all spent 13 weeks doing physical recreation, learning new people skills and participating in the community. We spent three days in the Delphi mountain lodge. Up there we went kayaking, bog walking, hiking, swimming and a lot more. When we returned we all got our bronze medals.

4th Year Trip to Killarney

Best Buddies

In 4th year, 14 students paired up with 5 students in Our Lady of Good Council as part of the Best Buddies programme. Throughout the year we organised many events. Much fundraising was done to finance these events, such as raffles, quizzes etc. Every Tuesday 4-5 students went to Our Lady of Good Council to play soccer with their buddies. For our Christmas party we went to The Mardyke for bowling. For the final event the students from Our Lady of Good Council came to our school where games and a barbeque were organised. Best Buddies was definitely an enjoyable experience for everyone that took part.

“Crazy in Love”

In 4th year we were "crazy in love". We made a classic Oscar-worthy feature length film on the life of Conor Boyle. It was written by the academy award winning script writer Sara Daly Butz. Unfortunately, she is no longer with us. Her masterpiece was too beautiful to stick around. We received numerous hits on YouTube containing classic sayings such as; "I thought you liked her" and "Would you like a cup of tea or perhaps a biscuit". The Daily Mirror has called it "the most mind blowing film of our generation". The Times were generous with their review saying "It's like Inception and Pretty Women all rolled into one, deep and romantic"

Many thanks to all involved in the making of the film. Especially to the people who voted for us to receive the audience award and overall award in the Fresh Film Festival. Cannes Film Festival... watch out!

Delphi:

In fifth year a group of eight of us went back up to Delphi. This time it was more physical and we spent more time hiking to get upgraded to our silver medals. We did two days of hiking in total. One with the fourth years and then another on our own. We passed the time on the first day orienteering in bogs...we also had to spend a night camping out! We walked for about an hour to find a good place to set up our tents before cooking our dinner...of bread and beans. I'm a celebrity get me outta here... Connemara Style!!!!!!

Eurofoot

In 5th year, we went to Vigneux in France on the 11th of June for the Eurofoot soccer competition. On the first day we went go-karting and met with our host families. The second day we had our first 4 games of 7 to play. We drew 1-1 with Arras last year's winners, Eoin McCarthy, with the assistance of a free kick, Ciarán McKenna with the tap in. During our second game we played a poor French team on pitch A. We won that 1-0 with a Ryan Hogan penalty. Our final group game decided whether we went through to the top 16 or bottom 16. We held out 24 minutes to get the result we needed to keep us on top. A 0-0 draw with a Swedish team. Our fourth and final game of the day was to go forward to the top 8. We scored in the first minute and went on to win 1-0. On the third day we came back to play our final three games. Our first was to progress on to the top 4 and it went to a tense, penalty decider. We lost on penalties 5-4, with Cornac Field missing, ruining our dreams of being champions of Eurofoot!! We played our final 2 games and won both 1-0 and 2-0. We finished the competition in 5th place, a school record!! Ryan Hogan made the European XI Vs French XI. Final score was 0-0. Captain, Ben Cooke took the trophy home, to mark what was, a wonderful tournament.

Frisbee.

In August, Bryan Dorman, Richard O'Reilly, and Matthew Feely flew out from Shannon airport to Wrocław in Poland for the European Youth Ultimate Frisbee Championships.

We were in a group V's Czech Republic, Italy, Russia, Great Britain and Belgium. We ended up bottom of the group narrowly losing our final group game to Russia. We were then put in a cross-over and got to play Israel and Poland. We lost to Israel, and Poland defeated us by only two points. Although we ended up bottom of the tournament, we had a great time with the other members of our team and made new friends from different countries.

Fifth Year Fun!

- By Christina Ahern

Adrienna Mc Carthy and Christina Ahern from the Student Council also organised a fundraiser, where teachers wore the school uniform for a day. They money raised was in support of the victims of the earthquake in Japan. The money was donated to the Red Cross.

In December, four students from the student council went to a meeting of Comhairle na nOg in the Clarion Hotel. The students had a fantastic time at the meeting. They discussed issues facing teenagers with other students from all over Cork county. They also discussed what was being done about these issues and everyone's opinion was heard. They also went out in the snow and had the first snow ball fight of the year.

The Student Council.

- By Shannon Sweeney

Maryanne Hurley, Shannon Sweeney, Evelyn Griffin and Adrienna Mc Carthy helped to set up the Credit Union in school and ran it for the year. They ran many competitions during the year and had a great time working with staff from the Ballincollig Credit Union.

To the teachers and staff at B.C.S...

The 6th year students of Ballincollig Community School would also like to thank all teachers of Ballincollig Community School for their continuous guidance and patience throughout our time at BCS. We would also like to thank the caretakers and cleaners of Ballincollig Community School who kept the school in tip-top shape for our classes and activities in the school.

We would like to thank the lovely ladies of the Cafeteria who kept us well fed and healthy each day without fail. We would like to thank the office ladies for keeping us all organized. We would like to thank Ms. Lowney, Mr. Kennedy and Ms. Waterman for your patience throughout the years; hopefully we weren't too much hassle! We would like to thank Ms. Horgan for everything she has done for us; you were there with open arms when we needed it! We would like to thank Ms. Fleming for keeping us in touch with our faith and for guidance through stressful times. Last but not least, we would sincerely like to thank our 'legendary' year head Inion Uí Mhurchu for everything you have done for us over the six years. Thank you for putting up with us at our worst and best times. We appreciate everything you have done for us, you gave us that push when we needed it that kept us going, and for that we are grateful. We will look back on our time at BCS with a smile, and remember the teachers that helped us through our time there with gratitude.

The Year Book Committee...

We the Year book committee, hope that both the staff and students of Ballincollig Community School enjoy this production and that it will bring back happy memories to you all in years to come. Year book committee-Aisling Doyle, Niamh Lynch, Rebecca Baxter, Shannon Sweeney, Hazel Bransfield, Leah Dixon and Aoife Drohan.
