

Ballincollig Community School

4th Year Book List 2023/24

- Pupils should not under any circumstance sell books from the previous school year. All books, workbooks, notes and copies should be retained until the teacher specifies that they are no longer required.
- In a number of cases, books appear on this list, which may already have been purchased by students in the previous school year. Parents should ensure that these books, in particular, are available for next year and that duplicates are not purchased.
- Care should also be taken to only buy books for the subjects and level being taken by the pupil, especially in the case of **Option Subjects**.
- All 'Workbooks' must be bought by Parents.
