

Ballincollig Community School

5th Year Book List 2023/24

- Pupils should not under any circumstances sell books from the previous year. All books, workbooks, notes and copies should be retained until the teacher specifies that they are no longer required.
- In a number of cases, books appear on this list which may already have been bought by students in the previous year. Parents should ensure that these books, in particular, are available for next year and that duplicates are not purchased.
- Care should also be taken to only buy books for the Subjects and Levels being taken by the pupil, especially in the case of Option Subjects.
- All 'Workbooks' must be bought new.
- The School Journal will cost **€10.00**
